

Weebly & ScrAPES

Current Events

ScrAPES

- In APES, it is very important to keep up with current events as things in environmental science can change/happen very quickly

ScrAPES

- In order to keep up with changes around us, we will be doing current events. The current events will be kept in a scrapbook for APES, called ScrAPES.

Weebly

- You will create a weebly site for your ScrAPES site.
- Go to www.weebly.com to create your website.

ScrAPES

- Source Sited: Title, Author, Website, etc.
- Photo (from article) or represents article
- Summary of article- (1-2 paragraphs)
- Opinion of article (1-2 paragraphs)
- So What? What now? (1 paragraph)
- 1 ScrAPES per week

Examples

- <http://k98231n.weebly.com/week-1.html>
- <http://robertphamapes.weebly.com/scrapes-1-photovoltaics.html>

Notecards

- We will be making APES notecards for vocabulary

Front of the Notecard

- Term
- Picture- must be hand drawn and at least 3 colors

Back of Notecard

- Definition with example

Week #1 Vocab List

Sustainability	Planned Obsolescence	Innerconnectivity
● Ecological Footprint	Perceived Obsolescence	Precautionary Principle
Positive Feedback Loops	Externalized Costs	Biogeochemical Cycling
