

Now open
to grades 6-12!

2015-2016 World of 7 Billion Student Video Contest

www.Worldof7Billion.org

Create a short video – up to 60 seconds – about human population growth that highlights one of the following global challenges: **Deforestation**, **Public Health** or **Water Scarcity**. All videos must include a) how population growth impacts the issue and b) at least one idea for a sustainable solution.

Consider narrowing your focus by concentrating on a subtheme within your topic. Possible subthemes include:

- **Deforestation** - erosion, clearing for agriculture/pasture, impacts on climate, biodiversity or habitat loss
- **Public Health** - spread of communicable disease, air quality, sanitation, maternal/reproductive health
- **Water Scarcity** - aquifer depletion, water conflicts, pollution, impact on girls' education, irrigation

Four winners will be chosen for each global challenge at the High School level.

- First place: \$1,000
- Second place: \$500
- Honorable mentions: \$250

Two winners will be chosen for each global challenge at the Middle School level.

- First place: \$500
- Runner up: \$250

All students grades 6-12 worldwide are eligible to participate and win.

Deadline: February 25, 2016
